PARENTS ADVISORY COMMITTEE (PAC)

An interaction between the academy and parents is needed to keep on improving the educational standard. For this purpose a Parents Advisory Committee is constituted during every academic year.

This committee is represented by the one parent member from every section of each class. S.M.C. and the Principal will finalise the list of P.A.C. members from the volunteers.

FUNCTION OF PAC :

1. Quarterly meeting with the member guardian representing class/section and school.
2. Useful suggestion for improvement of education standard from parents is welcomed.
3. Offers feedback and recommendations to school leaders, district administration, or school boards regarding educational programs, and school policies.
4. Represents the diverse perspectives, concerns, and interests of the student and parent body.
5. Monitors progress on specific school initiatives programs and equity goals to ensure resources effectively serve students
6. Examines proposed changes to school guidelines, safety measures, student dress codes, behavioural policies, and curricula before implementation.
7. Discuss the parents of their class and note down their concerns and grievance related to school.
8. PAC members are requested to share the feedback of their class parents with the Principal directly or through the PAC meeting .
